Attached is list of the 70 EPA and State issued individual permits and General Permit NOIs that appear to be on Muskogee (Creek) Reservation. Looking at the permit numbers, I only saw 4 EPA-issued permits numbers listed – the other 66 are most likely issued by ODEQ. Note that CGP coverage comes and goes as projects are started and finished.

Indian Country CGP NOIs for OKR10I016 MUSCOGEE CREEK NATION MEAT PROCESSING FACILITY and OKR10I015 WR-01 REPLACEMENT PHASE II PROJECT

Federal (Oklahoma Corporation Commission jurisdiction) CGP NOIs for OKR10F000 AUTUMN(SOFIDEL) PIPELINE PROJECT and OKR10F007 MEADORS / GREASY CREEK PIPELINE
